Dear Linda

Well, graduation is here at last!  
Thank heavens for small miracles.  
I've had so much fun in conservation  
(cheats - caps!) Well anyway - Don't  
ever forget the library and that little  
junk! Oh brother - what I'd give to  
see her in 10 years. Well, maybe  
not.

Anyway what I have been trying  
to say is good luck and God bless  
you, Linda - your personality  
stands out - Ha!

Love

In a pensive moment you reminisce —  
forgotten moments come to mind; lost hours  
are relived; familiar sounds re-echo. Your  
days at Maine West come alive again as a  
result of these REFLECTIONS.

P.S.

others. Good luck

gal!

Linda I'm going you  
to mid year. We really  
love you. We had you  
in class. Good luck in  
future years. Best wishes

As we cast reflections over this past year at Maine West — the friends, the memories of dances, sports, clubs, and exams — and record them within the covers of this Legend, we hope to establish a permanent record which can be maintained as a future reference for each and every one of us. Many of the events recorded herein are vivid today; but as we leave and pursue the many paths our lives will take, these memories tend to fade from us. The blur of mixed expressions, the impatient glances, the sprinkles of laughter, the frowns of concentration, and the sleepy yawns are visual expressions that share in the benefits of participation. The purpose of this yearbook is to capture these expressions and provide us with reflections from the past year.

With the careful guidance of the Maine West faculty, the class of '62 can well be proud of the part it has had in establishing precedents to guide many of the activities of the classes which will follow.

# FACULTY EVENTS

Dear Linda,

School life at Maine West centers in the classroom. A student entering Maine West is free to choose one of many courses of study: college preparatory, general, industrial arts or home economics, and business education. Maine's comprehensive program offers students not only a wide range of subjects from which to choose, but also accelerated and advanced placement programs, for students with exceptional abilities, and experimental programs REFLECTING Maine's constant striving for better education. Equipped with modern facilities, Maine West prepares each student for his personal goals in life by building a strong foundation of knowledge.

The faculty at Maine West is the most important single part of the educational development of the students. Besides their work in the classroom, teachers also sponsor extra-curricular activities. Their day is much like that of the students: daily classes, a "leisurely" lunch, friendly chats with friends, and after school activities. Besides, they have grades and progress reports to make out, homeroom duties, monthly departmental meetings, and many other activities too numerous to mention. It is no wonder that they, too, as do students, need the summer in which to REFLECT upon their hectic school year.

Donna Pipenhagen

Dear Linda,  
We have had  
so much fun these  
past years. I have  
so much to say and  
really don't know how  
to say it. You are a  
very sweet girl and I'm  
sure you won't change.  
I hope that you have  
a very happy life. Lots  
of luck.  
Donna

## Art

Art education gives students the practice and development they need to meet the challenges and opportunities of creativity. Since creativity involves perception, sensitivity, and awareness, the Art Department considers these points as important study guides for art students at Maine West. Perception is the ability to see in depth, in perspective, and in total and complete relationships. It purposely develops the intuitive faculties of the student after he has been presented with many types of stimuli from all directions. Sensitivity is the understanding of good design and good craftsmanship. This involves the development of all of a student's senses and emotions. Awareness is the ability to recognize and understand different moods and feelings of past experiences and present situations. Through conditioning the mind in all of its potentials, the student becomes more aware. These concepts are obtained and realized in Maine West's art classes—Art I-IV, Crafts I and II, Sketching, Stagecrafters, and a School Project Workshop.

## Nurses

# *Business Education*

Many students look for jobs right after graduation from Maine West. The Business Education Department's aim is to enable these people to transact their own business matters, to give them a good foundation for advanced work, and to prepare them for a good job.

The courses offered in the Business Education Department accomplish these aims. Students may take Personal Typing, Typing I and II, General Business, Clerical Bookkeeping, Commercial Law, Stenography I and II, and Accounting I and II. Students can gain practical experience by working in the school's offices.

# *Driver and Safety Education*

Every student must take safety education. This course teaches future drivers about the parts of a car, state laws concerning driving, different kinds of insurance, and safe driving. In Driver Education students learn by experience how to drive, and at the end of twelve weeks they take the test for their state license. Special attention is given to the development of self-discipline, good sportsmanship, courtesy, and respect for the rights of others. With the increasing number of motorists on the road today, the Driver and Safety Education Department is an important part of school curriculum.

Miss Johnston is the Reading Clinic Director.

# English

English teaches the communication skills of speaking, listening, writing, and reading. Speaking is taught through oral reports, participation in panels, and class discussions. Through records and tape recordings students have the opportunity to hear a piece of literature read by the author himself; equally important is the experience gained from listening and viewing radio, television and literary productions. Writing is taught by studying and writing themes and essays and then discussing them during a laboratory-conference period. Through extensive and critical study of short stories, novels, plays, and speeches, the student is taught how to appreciate and enjoy good literature. In literature the student discovers ideas and philosophies which will enable him to develop his character, broaden his mind, and live a fuller life.

# ADMINISTRATION

Running a high school is no simple task, and the administrative staff at Maine West has numerable duties to perform to maintain an efficiently run high school. Maine West is one of the top high schools in the nation, due a large percent to the efforts of the administration. From the superintendent and Board of Education, who are responsible for making major decisions concerning all public high schools in Maine Township, to Maine West's principal, deans and counselors, and secretaries, each is an important part of the administration. Many times the jobs of these people go unrecognized by the public; their achievements and fine work are often overlooked. Nevertheless, each is necessary to keep a school operating on a full schedule. Maine West's high standards REFLECT a fine caliber of students, faculty, and administration working together in the best interests of learning.

Dr. Earle W. Wiltse  
Superintendent

As superintendent of District 207 Dr. Wiltse attends the meetings of the Board of Education and works with its members to fulfill the needs of our school. Dr. Wiltse acts as coordinator between the faculty and the administration. Because he is also a specialist in classroom techniques, Dr. Wiltse is responsible for the many new ideas in education which have been successfully tried at Maine West. This year will be the fortieth anniversary of Dr. Wiltse's career as an administrator.

Mr. Ralph J. Frost, Jr.  
Assistant Superintendent

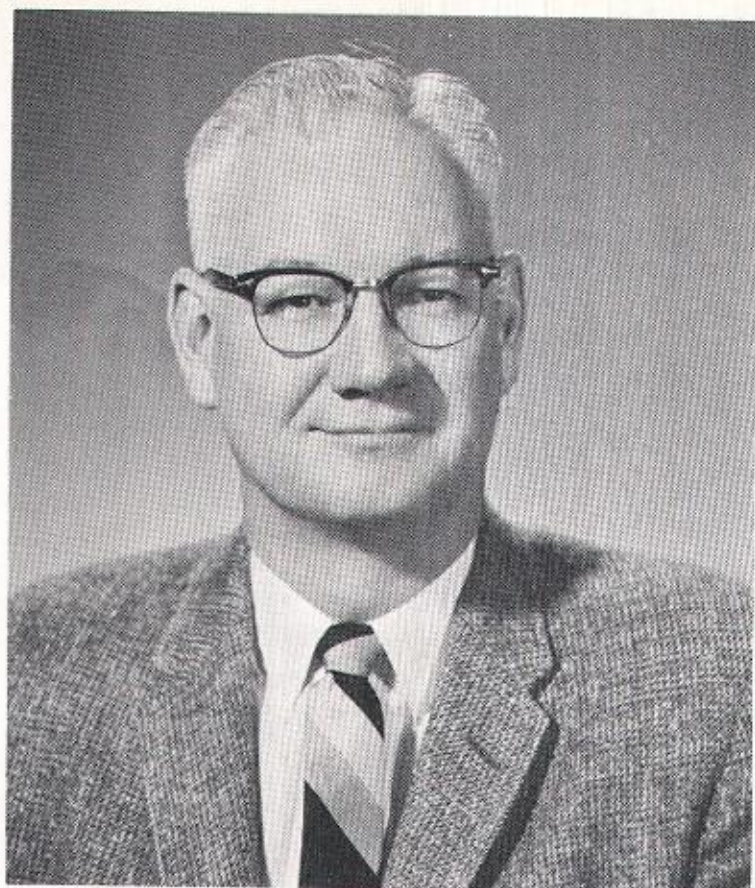

Mr. Frost assumes the duties and responsibilities of the superintendent in Dr. Wiltse's absence, and he performs the duties which are assigned to him by Dr. Wiltse. Mr. Frost helps plan interdepartmental meetings, general staff meetings, and any workshops which would result in staff improvement. Among the important duties of Mr. Frost are the preparation of study courses and schedules, the evaluation of the accelerated, the advanced placement, E. M. H., and part time courses, and the direction of research projects.

He has the authority to assign duties to personnel and to make minor regulations for the building which may be necessary for the proper functioning of the school.

Mr. Robert A. Wells  
Assistant Principal

The assistant principal, Mr. Wells, notifies substitute teachers when they are required, makes arrangements for fire drills, and assigns teachers to the supervision of school activities. In cooperation with the department chairmen, he prepares teacher schedules, supervises the school activity calendar and daily bulletin, and schedules school activities.

Without two able men as these, Maine West could not be the smoothly operating school that it is.

# ACTIVITIES

Extra-curricular activities play an important part in the school life of most students. These activities not only give the student a chance to participate in areas of interest which cannot be covered in the academic section of school, but also build his character; for he learns how to take responsibility and co-operate with others while having fun. Maine West offers many clubs appealing to many interests, from science to chess, from horseback riding to art. Also, the Student and Class Councils offer all interested students a chance to take an active part in school affairs. There are also many honorary societies. For students interested in drama, there are the V-show and the Senior Class Play, not to mention the various concerts presented throughout the year. Generally speaking, a student can find at least one activity which will interest him and which will broaden his school life. These many activities that are offered at Maine West REFLECT the belief that scholarship alone does not make a successful high school career. Rather, a sensible combination of academic and social life will prove to be the most rewarding to the student throughout his high school years.

The senior class of 1962 presented "Our Town," a unique play by Thornton Wilder. The play received much praise and proved to be a big success. The senior class can well be proud of the fine presentation, which was directed by Mr. Boyer.

## V-Show

Any interested student may participate in Variety Show, an annual spring event. Maine West's second Variety Show, "Stage West '61," proved to be a big success. The audience was pleasantly entertained by the various talents of the performers, and by the skill and originality which was put into scenery and costumes.

## *“Lowland Seas”*

“Lowland Seas” was the title of Maine West’s first op-eretta. Featuring Diane Disabato and Dave Hopkins; this event provided a successful start for the future. The performers delighted their audience with beautiful songs and colorful costumes, while the orchestra provided a fine accompaniment.

## Adult Education

Standing: Campaign Managers; Butch Bending, Bev Pawelko, Lora Eckert, Joe Mitchell. Seated: Candidates: Tom Prochaska, Pat Ritter, Nancy Merret, Art Behn.

Tags, posters, speeches, and hall parades began the tradition of election week. For three days students campaigned for their favorite candidate by dressing in weird costumes and making up cheers. On the fourth day the election assemblies were held, and skits were presented by the various candidates, who also gave their final campaign speeches. As a climax to the week, the president-elect and secretary-elect were announced at the annual Election Jitney.

## *Christmas Program*

One of the highlights of the Christmas season was the Christmas Concert, which was presented by Maine's band, orchestra, and choral groups. A portion of the program was presented to the student body at a Christmas assembly.

## Christmas Formal

Christmas would not be the same without the Christmas Formal. Beautiful music played by a name band and the presentation of the queen and her court make this dance, presented by the Boy's Club, one of the most enjoyed and looked forward to dances of the year.

## *Girls' Choice Dance 1962*

Again highlighting the year was the Girls' Club sponsored dance, "King of Hearts." As usual this dance was the best attended of the year, and everyone was impressed with the Valentine atmosphere, decorations, and refreshments. Each girl provided her date with a corsage and paid for the night's entertainment.

## Homecoming 1961

Homecoming 1961 was one of the most successful events of the year for Maine West. The annual parade of floats brought cheers as the Senior Class Float, "The Yolk's On Them," took first place. Second place was won by "Shelf 'Em," the float jointly made by Girls' Club and Boys' Club; and the new Freshman Class obtained third place with their float, "The World We Win In." Adding to the success of the evening, our Warriors captured a 27-0 victory over the tough Glenbrook Spartans. Of course, the highlight of the evening came when Nicki Rappaport was announced as the Homecoming Queen for 1961. Nicki was officially crowned queen at the Homecoming Dance the following evening. This event culminated the football season.

# ATHLETICS

The range of sports offered at Maine West are numerous and varied. A large percentage of the student body participates in some kind of sport activity. Boys strive for membership in the M-Club, while girls, as members of GAA, work to attain local and state awards for participation and service. Maine West, as a member of the Interim Conference, plays many schools in sports ranging from football and basketball to golf and tennis. Participation in any of the sports, in both boys' and girls' athletics, teaches good sportsmanship and develops a sense of fair play in competition which may later extend outside of the sports field. And after graduation, REFLECTIONS concerning Maine West's athletics are sure to come to mind — an exciting homecoming game, the M-Club initiation, the GAA award night or possibly the Daddy Daughter Deal. In any case, as a participant or spectator, any student may make athletics a major part of school life, or he may discover it is a fine complement to any of his other interests.

# CLASSES

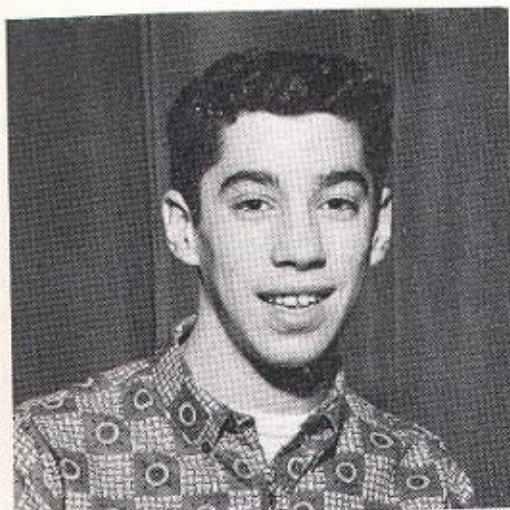

## CLASSES

Thoughts of school invariably bring to the minds of students thoughts of friends. No matter what class a student is in, whether he is a freshman or senior, he will carry from it the memories of friends, new and old, in his class or otherwise. A student's loyalty to his class ranks second only to the common loyalty to the school as a whole. Friendly rivalry between classes adds special flavor to high school, although freshmen may not admit it until they're seniors. Class parties and the homecoming float are the major projects of the classes each year. Ultimately, after graduation, each student will REFLECT upon his four years at Maine West and attaching certain special memories to each of his years in high school, he will fondly remember friends and class activities, feeling proud that he graduated with his class, the very best that Maine West ever saw.

Enjoying its first year at Maine West, the Freshman Class upheld tradition by winning third place in the Homecoming float competition. Looking ahead, the Freshmen eagerly await the time when they can say "Hey, Frosh!"

TREASURER  
Kathy Benson

The class of '64 enjoyed its year as **upper** lower classmen. With the help of the sponsors, the officers guided the class through its second successful year. The PTC party, class party, and the Sophomore-sponsored afterdance were enjoyed by all. The Sophomores are now looking forward to the privileges and responsibilities of upperclassmen.

TREASURER

The Junior Class started the year off right by bolstering the class treasury through the sale of Maine West pennants. The parents again put on an excellent PTC party, which was highlighted by a surprise visit from "Mitch Miller." the high point of the year was the Junior Prom. The wonderful work of the Prom Committee showed up in the excellence of the occasion. With their Senior year approaching, the Juniors are beginning to anticipate the problems of graduation and college.

TREASURER

Four-Three-Two-One-Graduation. This is the year of the "orbit" as John Glenn entered a new era; the class of '62 is about to enter a new era. To break with the old and begin with the new, the class of '62 satellite was launched at Maine East and is the last class to have experienced the split shifts. Reminded by the Friendship Seven that circled the earth, the class of '62 can reflect upon seven of the memorable events that highlighted their senior year: the triumph of producing the first Homecoming float; the successful and poignant class play, "Our Town"; the appropriately named P. T. C. party, "Last Time Around"; the significant A. C. T., college boards, vocation tests, and various scholarship tests; the pride of having ten National Merit Finalists plus numerous honorary mentions; the long-awaited Senior Prom and train trip to Lake Geneva; the climax—the inspiring and melancholic graduation ceremonies. The countdown has ended, and the graduating class of '62 must choose their "orbit."

Dear Son, (LINDA)  
 It's been fun being your  
 dad & Senior Reader this year.  
 I'm really glad I got to know  
 you! Who else could I throw  
 tennis balls at?  
 Your mom (Judy) and I  
 want to wish you all the best  
 in the world -  
 Don't let us down, Son!  
 And please see us this summer!

... And so another year has passed,  
 to become merely a memory, brought  
 to life only as a result of our nostalgic  
 REFLECTIONS.

P.S. See  
 you in  
 the  
 Library!

Love,  
 Dad  
 (Donna  
 Caldwell)

Dear Linda,  
I really got to know you this year. I know you're a very pleasant individual to know. I surely wish you the most of luck and your best future.  
And I hope all your fondest dreams come true. Always keep your wonderful personality. Be good and don't do anything stupid.  
Love,  
Gail Rudla

Linda,

It's been lots of fun  
being in Bookkeeping and  
the library with you. I  
don't know when I'll  
see you again, so have  
a nice summer and  
most of all be good. Good  
Luck to you and your  
boyfriend.

Love always  
(Karen)  
(Lover ind.)

Linda,

Well, sure it is almost the  
last day, I'm still wondering  
if I am going to make it,  
in bookkeeping. Please excuse  
the handwriting, but I don't  
want Mr. Hapkins to see  
me writing. We've had  
lots of fun this past year  
in gym, and in a way  
I'm sorry to see it end.  
Best of luck in the future  
and take good care of  
your boyfriend.

Love ya "62"

Pam Bauer

P.S. Be good

P.S. Remember Butch & Danny

Linda,  
Well, another  
year gone - finally!  
(when all our fights  
those "ishie" dishes we used to find in the  
cabinets in school, and how about those meat cakes!  
Well Linda I wish you all the luck in the  
world. And I'm just not saying this when I say  
you're one of the sweetest most sincere kids I know.  
I have to say something mean or I'll be out of  
character. You're ugly and stupid! Good luck  
in beautiful school. You'll be a sept. and still  
be a "freshie". You can help me this way:  
P.S. Call me or come over!

Dear Linda

It's been fun seeing  
you in the library. You  
a great kid. Playing  
against you on teams  
in gym was challenging.  
Stay as sweet as you

Dear Linda,

It's kinda bumpy in the  
car. I hope you can read this.

Well, well, well I stay.  
Remember the good ol' Holiday?  
We were always trying to pick  
up some fellas. There were  
the good old days!! Now were  
both tied down. Now have that.  
Remember when I picked you up  
with Ken's friend? Was a fiasco!!

It's been fun riding to school  
together. Now we're both going  
different ways. I wish you all  
the luck in Beauty Culture  
School. When you need a  
baby nurse, just let me know.  
May you & Carl always be  
happy.

God bless! make you  
happy always.

Love,  
Arlene (Drew)
